### Brief Report

### **REPORT OF WORLD STANDARDS' DAY- 14<sup>th</sup> OCTOBER 2018**

The Institution of Engineers (India) Faridabad **Local Centre** in association with **Department of Electronics Engineering, YMCA UST** celebrated its **World Standards' Day on 14<sup>th</sup> October 2018** at YMCA UST, Faridabad. The Event started with lighting the lamp of knowledge. **Er. Subhash CHANDER, Chairman** while delivering the welcome address stated that each year on 14<sup>th</sup> October is celebrated as World Standards' Day which means paying tribute to the collaborative efforts of the thousands of experts worldwide who develop the voluntary technical agreements that are published as international standards.

IE(I) Faridabad Local Centre in association with YMCA University of Science & Technology organized a design competition wherein students had to identify the problem around them and how they can solve it using latest technologies and how these standards play a part in it. We have received 20 entries from different colleges. Out of which 5 best were selected for on stage presentation. Each presentations were punctuated with Audience Q/A Sessions and meaningful discussions. 3 Best Presentations judged by Jury **Er. A.K. Sehgal, Er. Subhash CHANDER and Er. N.D. Arora** were awarded.

**Ms. Neha Yadav ,Keynote Speaker, Scientist C, Bureau of Indian Standards** gave a detailed description about BIS and its activities. **Dr. Pradeep Kumar, Associate Professor, YMCA** in his theme speech stated that some say standards stifle creativity but it is essential for developing stuff that fits

together.

**Er. Sandeep Handa, Honorary Secretary**, proposed vote of thanks to the attendees, industrialists and speakers for deliberating on this key issue and coming out with innovative ideas. Attended by 35 participants the event was a grand success.

**Er. Sandeep Handa, FIE  
Honorary Secretary**
